

Cumberland County Magisterial District Reestablishment Report 2022-2031

Issued March 28, 2012

Introduction

In October 2021, Cumberland County was notified by the Administrative Office of Pennsylvania Courts (AOPC) of its requirement under 42 Pa.C.S.A. § 1503 to participate in the reestablishment of magisterial districts. This event occurs every ten years and is directly related to the Federal decennial census. Cumberland County has received from the AOPC a set of guidelines, case filing statistics and work load statistics for Criminal, Non-Traffic, Private Complaint, Traffic, Civil, Landlord/Tenant and Miscellaneous filings in the ten Magisterial District Courts in Cumberland County. The guidelines indicate that Cumberland County shall submit recommendations to the AOPC regarding the reestablishment of its District Courts no later than February 28, 2022.

The following report, along with required worksheets provided by the AOPC, will meet the requirements of the AOPC. The conclusion is that there are no recommendations to eliminate an existing district court and that Reestablishment should occur for all Magisterial District Courts. (Summary attached).
